

REMARKS

This application has been allowed. The Specification is herein amended for clarity as suggested by the Examiner's voice message to the undersigned attorney on April 26, 2006. Particularly, the Cross References section inconsistently referred to related applications in terms of attorney docket numbers in lieu of application serial numbers.

These amendments are appropriate under 37 C.F.R. § 1.312 after issuance of a Notice of Allowance as they merely correct formal matters. Accordingly, Applicant respectfully requests that the Office approve and enter these amendments. The Examiner is invited to contact Applicant's undersigned representative by telephone if desired in order to advance this case in any way.

Finally, if there are any additional charges in connection with this response, the Examiner is authorized to charge Applicant's deposit account number 19-5425 therefor.

Respectfully submitted,

Joseph F. Posillco, Esq.
